

## The CNMC concludes the infringement proceeding against funeral company Mémora

- The company acknowledges that it failed to comply with the commitments made during the acquisition of Rekalde and Irache in 2021 and has paid the fine in advance.
- Among them, Mémora had to maintain the Zarauz funeral home and manage it diligently until its sale to a new owner was completed.
- It was also required to submit monthly reports to the CNMC on the divestment process.

**Madrid, 7 May 2025.** The Spanish National Markets and Competition Commission (CNMC) has imposed fines on Mémora Servicios Funerarios, S.L.U. ([SNC/DC/011/25](#)) for failing to meet the commitments it undertook when acquiring the Rekalde and Irache funeral homes in 2021 ([C/1151/20](#) and [press release](#)).

Mémora had committed to maintaining the Zarauz funeral home and managing it diligently until its sale to a new owner, in addition to submitting monthly reports to the CNMC regarding the divestment process.

The breach of these commitments constitutes a very serious infringement of the Spanish Competition Act.

### Admission of infringement and reduction of the fine

Mémora acknowledged its responsibility and paid the fine in advance. It invoked Article 85.3 of [Act 39/2015](#), which allows for a reduction of up to 40% of the fine amount. As a result, it ultimately paid €108,000.

In view of the above, the CNMC has terminated the infringement proceedings:
